How to bid:

On the lot page, enter the bid you want:

Open Value – Value from which you can bid.

If the highest bid does not reach the base value, the sale of the lot is not guaranteed.

Base Value – is the value from which the lot is considered sold. In other words, any bid equal to or greater than the base value guarantees the lot purchase.

Quick Bid – You can use one of the suggested values and place your bid.

Direct Bid – You can enter the value you want and then click on “Bid”.

Automatic Bid - Insert the value maximum you intend to offer for the lot and the system manages the bids for you (up to the maximum of the value you indicated)
